Comm Edison Co Braidwood Nuclear Pwr Sta

Route 53

Reed Township, IL

I would like to request the following active CERCLIS site files:

This information will be used to complete a preliminary environmental investigation for a proposed road improvement project for the Illinois Department of Transportation. I only need the SEMS; releasable documents that are in your Superfund Enterprise Management System (SEMS). I only need files from 2008 through 2014 for the Joliet Arsenal sites (USEPA #IL0210090049 and #IL7213820460).

Thank you in advance for your assistance.

Please send any applicable information to me at the address below. If you need additional information, or have any questions about this request, I can be reached by phone at (217) 265-6543.
